Honest moments.
Timeless photographs.

WELCOME

Your photographs *become part of your story.*

I've been photographing weddings since 2010, and no two have ever felt quite the same. After all these years, I still love the anticipation before the ceremony, your loved ones who cannot stop smiling, the beautifully coordinated details, and the unexpected moments that often become the photographs you treasure most, whether that's the flower girl sampling the cake early, the best man fumbling the rings, or your partner's tears falling during the processional.

As an avid genealogist, I also understand how photographs grow more meaningful with time. They preserve who was there, how you connected, and what this chapter of your life truly felt like. My approach blends genuine, unscripted moments with thoughtful portraiture, creating images that feel polished without losing the personality of the people in them.

You can expect calm guidance, clear communication, and someone paying attention to both the big moments and the quieter ones happening around them. I'll help when direction is needed, step back when a moment should unfold naturally, and make sure your photographs feel honest, beautiful, and unmistakably yours.

I'm so glad you're here, and I'm honored you're considering me to photograph your wedding.

Thoughtful from beginning to end

Beautiful photographs begin with an experience that lets you feel prepared, comfortable, and fully present. I keep the process personal and straight-forward, with support where it matters most.

01 PLAN WITH CONFIDENCE

We'll talk through priorities, timing, family groupings, and the rhythm of the day so photography supports the celebration rather than interrupting it.

02 FEEL AT EASE

Engagement or bridal portraits give us time to work together before the wedding, helping you feel natural and confident in front of the camera.

03 STAY PRESENT

On the wedding day, I offer calm direction when needed and step back when the moment should unfold on its own.

04 RELIVE IT ALL

Sneak peeks arrive within 48 hours. Your complete, carefully edited wedding gallery is typically delivered within 4-6 weeks.

Choose how much of your story *you'd like preserved.*
